I CAN'T KILL IT!

Kind? Ayaka-san
Hazumi Nariyuki
Again and again, instead of following my father's orders
Ayaka
I settle it by using my own blood
Ayaka!

... ah
Saber
Being kind is a good thing but-
Did you end up doing it again?

Isn't this a little too much?
やさしい？綾香さん
はずみなりゆき

S-Saber what the hell!
What? They're all YOUR sacrificial doves
I was surrounded by them when I woke up
モコ…ポー
モコ…ポー

But you see, I have school and stuff
And I just can't seem to find the time
Text below clothes dryer
Uughh...
Everytime I think, this time I'll do it
And I get a new dove
to get me into a feeling of "rising determination"
Not to mention, I'm not really fit for this kind of thing
物干し
I'll eventually get it done
She seems like an old lady that's spoiling her health
Hmm

Ahaha, Saber is clever
……
No matter how I looked at it it looked like a sky burial
A HA HA HA HA
AH!
Y-you slept well didn't you? In something like a feather futon?
And
to the actual topic
What are you going to do about these doves?
……
Let me think
ドキリ…

EX
CALIBUR!
What are you even saying?
I'm gunna abandon my sword and run
... how would something like that be?

There's nothing that can be done about this
That said, I do know the root of what caused this
<—Text: laughing
It's important to note even if you are prepared for it
It's just that the ones we're fighting are all mages.
It's not really essential for me to sleep
I'm not really angry or anything
Text below: nyaaah
There's nothing for you to worry about.
It's not only for you, it's for me as well
Saber...
I'm sorry, even if it's a hassle for you. I...

IT WORRIES ME!
I picked them up during Servant training
and they happened to be male and female so they increased in number...
ニャー

ビクッ

YOU ARE LITERALLY THE PROTOTYPE OF A CERTAIN ISKANDAR I MET BEFORE!
Saber ultimately broke
ドーン

Even after that the animals of the Sajyou residence grew in number
!?

うほっ

What is it, Trimmer?
See? Now even my Class changed
Ayaka...
Let's end this
All we've been doing recently is taking care of animals
You recieved a revelation haven't you?
WE ARE STANDING IN A BATTLEFIELD
Ayaka, open your eyes
This can't continue any longer
Ayaka!
Oh yeah
I forgot
Battle...
field...
Revelation...
Remember, Ayaka!
What's important in a battlefield?

She has the power to come back from the future as the legendary Trimmer.
I'm going to go buy cage cleaning tools!
This person is a seriously hopeless Stubborn/ Prototype.

Ah-

If we're attacked by enemies in such a situation...

!
Lancer!
Yo ojou-chans
I'm here to settle our little dispute
Saber!
Quickly draw your sword!
Hmm? What's wrong ojou-chan?
Less resistance than before huh?

I know you don't want that happening
But, even if I abandoned my sword I am not at a disadvantage
With this barriquand in my hand I am going to turn you entirely bald
Your hair is rather long isn't it?
I abandoned my sword.
HUH?!
And I am now referred to as Trimmer
Huh?
What the...
Alright...
I guess
Welcome back, Lancer
How was it?

...
What the fuck are these people doing?
IT'S QUITE CALMING OVER HERE ISN'T IT?
IT'S CALLED A CAT CAFE I PRESUME?
There were so many of them before I knew it
Ah... Satou-san
Sajou two...
Woops I made a mistake
Just go get it yourself will you
I guess you can say she's strong in a way
